

HISTORY/STRUCTURE/ PURPOSE

The *WV Select Care Management Services Program* is an undertaking of the Coordinating Council for Independent Living (CCIL), a social services agency that has operated within the state of West Virginia since 1980. CCIL operates a number of programs designed to assist various populations in the development and maintenance of an independent lifestyle. Of these programs, the case management is the largest. As one of the largest case management agencies in the state of West Virginia, CCIL is committed to providing services for all the qualified residents of the state either on a private pay basis or through participation in state or federally sponsored programs.

For more information, or to make a referral to this Program, please contact the Coordinating Council for Independent Living office nearest you and indicate your interest in Personal Care.

SELECT

CARE MANAGEMENT SERVICES

AN ALTERNATIVE TO
NURSING HOME CARE

PROVIDED TO
YOU STATEWIDE

AFFORDABLE INDEPENDENCE

The *Care Management Services Program* is designed to act as an affordable long-term health care alternative for West Virginia residents who would normally be placed in a nursing home or to provide temporary assistance for those recuperating from an illness, injury or surgery. Clients remain in their own homes supported by a package of services that is custom designed to assist them in maintaining their independence for as long as possible. Services are contracted, coordinated, monitored and managed by an experienced professional care management team consisting of West Virginia Licensed Social Workers, Registered Nurses and knowledgeable administrative and support personnel.

ADMISSION/REFERRAL PROCESS

Admission into *WV Select's Care Management Services Program* is open to any individual evidencing a need for long- or short-term care and meeting basic medical and financial criteria. Referrals can be made in person at any WV Select office or by calling your local WV Select office listed on the back of this brochure.

SERVICE COMPONENTS

Homemaker/Personal Care Services

Assistance with shopping, meal preparation and cleanup, laundry, housekeeping and related chores, as well as personal care assistance with activities of daily living.

Custodial Care

Consisting of companionship, client monitoring/supervision and light meal preparation and clean-up.

Private Duty RN Services

Medication Set-Up Administration

All clients will have their care managed by a licensed RN and/or Social Worker as appropriate and access to 24/7 on-call services.

WV SELECT

WV Select Care Management Services is a program that recognizes an individual's inherent right to exercise personal choice in long-term care decisions.

Designed to act as an alternative to nursing home care, *WV Select* is committed to providing an extensive range of top quality services that will allow for enhancement of both the length and quality of life in the familiar security of one's own home. *WV Select* can implement services virtually upon request and every effort has been made to keep cost within the reach of those who have planned financially for their future.

The overall goal of *WV Select* is to provide the client, his or her family or other responsible parties with all services necessary to maintain a quality standard of independent living with total freedom from management, coordination and contracting responsibilities.

Services provided under this program are typically paid for by the client, the client's family, trust funds, insurance companies etc.

From basic assistance to highly specialized care, *WV Select* is ...

“the right service at

the right time.”
